

Shasta Union High School District Board Goals – Adopted 1/13/09

Climate and Culture

District Focus: Establish safe, healthy educational communities that inspire involvement so all people can reach their full potential.

- 1) Identify community partners and maximize their presence on our campuses.
- 2) Expand existing and establish new and creative activities to connect all students.
- 3) Review current mission and vision statements for the Shasta Union High School District.

Educational Options

District Focus: • Provide avenues to enable all students to enter the community as contributing members of society. • Identify and encourage students' talents, interests and abilities.

- 1) Research best practices of existing intervention programs.
- 2) Develop multiple career assessment tools for all students.
- 3) Prepare students to successfully enter the work force.

Student Achievement

District Focus: Maximize student achievement through intradistrict collaboration and aligned instructional goals.

- 1) Provide staff development to align assessment and curriculum.
- 2) Use collaborative planning (student, parent, counselor and teachers) to explore optimal counseling programs.

Curriculum and Programs

District Focus: Support programs that meet the needs of all students through an aligned and comprehensive curriculum.

- 1) Improve student performance during the 10th grade year.
- 2) Develop a unified staff development plan for all schools and programs.
- 3) Explore the option of dual enrollment through articulation with Shasta College.
- 4) Design an academic environment to maximize student exposure to a rigorous curriculum.

Facilities

District Focus: Provide facilities to support vocational ed/CTE, positive and safe environments, new technology and energy efficiency.

- 1) Determine and address the short-term facility needs of the District.
- 2) Develop an overall plan of needs by school and common type.
