

Obrey Clark

Student Board

My name is Obreyonna Clark, I am a sophomore at Enterprise high school. I am a member of Enterprise ASB and I will be going out as Junior Class president for my next year. Currently I am a part of student recognition, running the student of the month lunches each month. Next year, I will be a part of Yearbook staff and E-Crew. E-crew is upperclassmen that work with the new freshman class throughout the year, helping them adjust to high school. I am also a part of Auto-Club, running Enterprise's yearly Show n' Shine.

Each of the clubs and organizations I am a part of makes me a good addition to the student board because it has given me insights on all different areas of my school, seeing where improvements can be made. It has also given me more leadership skills and chances to show myself as a good leader.

I also take honors classes and hold a weighted GPA of 3.7. Next year, I will be in all honors and AP classes and I am planning on taking three AP tests.

Outside of school, I focus on being the moist help to my family, being in charge of large amounts of work in the house. I play soccer and do boxing, although I did have to quit for a bit, I plan on starting again soon.

I want to be apart of the board to be able to bring interesting aspects and important insights to members of the district. I want to better help my own school and others while I still have the chance to. I would love to be able to work with members of the board to bring back other opportunities to my own school.

All my activities inside and outside of school have given me many chances to work with many individuals, giving me lots of opportunities to learn leadership skills. I have initiative and confidence, trusting myself and my appilities to bring a new voice to the studen board. I can be trusted with important decisions and to rely information to my school and others.
