

Obreyonna Clark

SUHSD Student Board Statement Letter

My name is Obreyonna Clark and I am a Junior at Enterprise High School and I am looking to serve as a member of the Shasta Union High School Board because I would enjoy being the voice for my fellow peers. Being a part of many groups and clubs on campus, I do have the chance to bring in insights from many different backgrounds. I would like to have a clear and deeper understanding of how our school system runs and the decisions we make. I would also like to better my school and the surrounding schools every chance I could get and have the opportunity to. I understand that being a part of the board would require me to put my own time and energy into preparing for meetings and I would look forward to it.

I am a member of my school's ASB Class, currently serving as ASB Junior Class Vice President. I have been a part of ASB for the last two years and will be continuing into my senior year. I am a yearbook staff member for the first time this year and through my dedication and hardwork, I am presented with the opportunity to be Copy Editor next year. I am a member of Restorative Justice this year and I will be next year too, working with my fellow students and peers to resolve issues among others. I have been in CSF since my second semester of Sophomore year; to be a part of CSF you must meet a minimum number of points that are earned through the grades you get and classes you take. I hold a 3.8 GPA while taking three AP classes and one honors class while balancing my yearbook and ASB class. This summer I will also be a camp counselor at SYLC (Shasta Youth Leadership Camp).

My activities inside and outside of school provide me with the opportunity to provide many insights to the board from a student perspective. I have shown my large amounts of dedication and perseverance through my busy schedule.

I would hope to serve on the Shasta Union High School District Board to be able to prove my fellow peers' thoughts and feelings. I would hope to gain more experience and a deeper understanding of my school and community.

To Whom It May Concern:

It is with great pleasure that I write this letter of recommendation for Obrey Clark as a student representative of the Shasta Union High School District's Board of Trustees. I have had Obrey in my English class the past two years, and have watched her grow as a scholar throughout that time.

Having had Obrey in both my sophomore honors English class and now my AP Language & Composition class, she has consistently demonstrated herself as a standout in a group of strong academic students. She consistently provides high-quality work with attention to detail and offers keen insights in an articulate manner in class discussions. It has been a true pleasure to see Obrey grow as a scholar over the past two years.

In addition to successfully navigating multiple honors and AP courses, Obrey has the daunting task of being a part of the yearbook team. Her tireless efforts in that undertaking directly transfer to her daily life, as she has the attention to detail and punctuality necessary for such a class.

Obrey is also a leader here in campus; she is one of the student representatives for our "Remember the 5" club, which centers on safe driving habits for her fellow classmates; additionally, she is a member of our link crew ("E-Crew"), which provides leadership and mentoring for our incoming freshmen.

Because of her close connection to various aspects of the student body, her attention to detail, and thoughtful reactions to difficult subject matter, Obrey Clark would make a fine addition to the Shasta Union High School Board of Trustees as a student representative.

Sincerely,

Matthew J. Garrett
